

## **MEDIA PACK FOR WINTER PRINT EDITION of THE EDINBURGH REPORTER**

We are usually an online publication - but we are publishing our second print edition on 30 November 2016 and would like to bring our cost effective marketing to your attention.

Our news website attracts a monthly audience of around 100,000 readers. We aim to use the 5,000 copy print edition to bolster and increase that audience.

Our coverage is multimedia and uses video, audio, written articles and photos. Our social media activity supports this and includes a lot of exclusive video content for our 45,000+ followers. We can provide you with a social media advert for your own use. Ask us about that!

All adverts and copy placed in the newspaper will be replicated online ensuring maximum coverage. We really aim to give you the best value for your money and understand that your budget may not be huge. Speak to us about what you want to spend and we can always tailor something to fit.

Here are some of our off the shelf packages. If you require something different then get in touch [editor@theedinburghreporter.co.uk](mailto:editor@theedinburghreporter.co.uk) to discuss what would suit you.
