Crèche worker P/T Salary: £8 per hour (3 hours a week x 40 weeks)

Oxfams Neighbourhood Centre is an independent community organisation committed to serving the needs of the residents of Oxfams, Edinburgh. We seek to bring local people into relationship with each other, to reduce poverty and to enable potential.

We launched a new Mums & Toddlers group in Mid-September of this year working in partnership with health professionals and with local mums to give our children the best start in life. We are seeking an enthusiastic part time crèche worker to assist in the delivery of this project working one session a week throughout the year.

You should have experience of working with young children and have a bright and engaging personality. The crèche worker must show evidence of the ability to work with babies and children and to manage a safe working environment.

Post is a one year contract and will be subject to a PVG check.
