CHARITY: Drake Music Scotland Registered Charity No. SC026908

Mission statement: we believe that disability is no barrier to making music. Since 1997, we have created opportunities across Scotland for over 7000 children and adults with disabilities to learn to play music independently and to whatever level they aspire. Using both conventional instruments and innovative technologies for those with limited mobility, we deliver a range of education and training projects with the emphasis on active participation and widening access for all.
