

Discover!

Free activities, meals and transport for families and children during school holidays.

The City of Edinburgh Council and partners are committed to helping reduce child poverty and ensuring children achieve and attain well. We are offering children and their families free holiday activities with breakfast, lunch and transport provided. If this is something you and your children would benefit from, please contact your child's head teacher for more information on how to access the activities. They will then recommend you for the programme and you will be contacted by a member of the Council's Lifelong learning team with confirmation of a place and more details.

Opportunities for Children and their families

**Music • art • sport and games • film • cookery • fun science workshops

Privacy Statement

As part of Discover, the City of Edinburgh Council's Lifelong Learning Team will gather some personal information about you and child. We need this in order to deliver the Discover programme and also to evaluate that it is working. We collect information about your welfare status to establish that you qualify for the Discover programme and ensure it will be helpful to you. We collect information about your child so we can deliver the programme in a safe way, which also meets their needs. We also collect contact details to let you know about the Discover programmes in your area. When we collect this information, the Council is fulfilling its public task in relation to improving wellbeing, and supporting the education, of the citizens we serve. Your information will be held for a maximum of five years and we will only be shared with other agencies when it is lawful to do so. For more information about how the Council handles personal data, including your information rights, please see the Council's privacy notice at: <http://www.edinburgh.gov.uk/privacy>
