ANNUAL REPORT 2018

Dear local resident,

As 2018 draws to a close, I wanted to report back to you on some of the issues and campaigns I have been working on over the last 12 months.

Throughout the year it has been a pleasure to meet with hundreds of constituents, businesses, community organisations and charities to hear how I can help in Parliament to move issues forward and improve our community.

I passionately believe that Scotland and the United Kingdom's best days lie ahead of us. So as we start a new year let's all look to the future. Whilst there are challenges to be resolved both locally and nationally, Lothian remains a great place to live, work and grow up and for me it is an honour and privilege to represent you in Holyrood. I wish everyone all the very best for the year ahead.

Your views matter to me, so if there is anything I can assist with, or any issues you would like to raise with me, please do not hesitate to get in touch.

With best wishes,
Miles Briggs
